Reliance
on time all the time

ABOUT US

Reliance is leading to change the process of design, architecture and engineering within the construction industry of Bangladesh, with an unrivalled wealth of knowledge, experience, technology and the support of its British architects and engineers for delivering high quality buildings and properties using state of the art British design and structural engineering in the rapidly growing property market in Bangladesh, Reliance is an aggressive and innovative company working with its British Partners JEYMAR LTD., JEYMAR Scottish Property Company based in Dundee Scotland.

With over a quarter of a century's building experience both in Scotland and Bangladesh behind us we have developed the necessary skills and technology, through a broad and visionary approach to meet the demand of the constantly changing needs of customers who are searching for higher standard and quality at a realistic price to build better properties to compete with western standards. Whether we build a small property or a huge multistoried complex, reliance will ensure the customer requirements are met with flexibility and innovation combined with total commitment to achieving the highest standard and the best results without compromising on standard and quality, turning each property into a safe, comfortable and a beautiful home. It is our desire not just a promise to value our customers above all and to be determined to produce an ever better construction, to make it our priority of protecting both our clients and our staff's interest through detailed attention to quality, standard, safety, and environmental issues. To be flexible, skillful and efficient while containing prices and producing a better constructing and finish. To build on our skills and put them to broader application to ensure that Reliance is always a "No nonsense" "No surprises" builder. We value our experience, training and reputation and take pride in it.

Raj Hossain

B.Sc (Aeronautical Engineering) London
M.B.A London
Commercial Pilot's Licence Texas, USA
Member: British Business Group
President: Scottish Society of Bangladesh
Group Chairman

Raj Hossain was brought up in the United Kingdom. After graduating from London University in Aeronautical Engineering and completing his MBA and Commercial Pilots License he worked for the Rank Organization one of the biggest company in the U.K. as their General Manager and then on to a Director for over 21 years. He was a consultant for Cairn Energy plc., and is their landlord for the Haida gas field outside Chittagong, Bangladesh. Raj lives in Scotland and divides his working time between Scotland, USA and Bangladesh where he spearheads substantial interests of his parent company Jeymar UK Ltd., his commitment to the energy and building industry takes him round the world and to many difficult countries such as, Vietnam, Laos, Cambodia, Siberia, Mongolia, Azerbaijan, Kazakhstan, Uzbekistan, Colombia, Peru, Trinidad, Argentina, Brazil, Cuba, Mexico, Paraguay, Uruguay, Venezuela, Ecuador, Chile, South Africa, Kenya, Tanzania, Nigeria, Ivory Coast, The Pan Pacific and from The Greenland to The South Pole basically 95% of this world.

Abus Salam Azad

Managing Director

Mr. Azad worked for many multi National Companies in Bangladesh and abroad before joining Jeymar (Scotland) Ltd. A company within the Reliance Group as a Director looking after the company's operations. He has extensive knowledge and experience in respect of Estate Management, Land and Property Development and all the relevant issues relating to these matters. His skills and ability has landed him to take over the leadership of the bigger operations within the group as Managing Director of Reliance Holdings Ltd.

His experience in executing the company's business strategies, providing advice to the Board and the Chairman, preparing and implementing comprehensive business plans to facilitate achievement is enormous

Mr.Azad's ability to work under pressure, his practical skills to solve problems efficiently, take decisions quickly and effectively, communicating his leadership and management skills to a huge number of staff, clients and relevant authorities is a prime quality he displays in his work environment. His communication skills, drive, compassion and fairness makes him an excellent Managing Director.

Md. Hasan Murshid Mithu

Director

Md. Hasan Murshid has developed a mature skill in the construction industry and an exceptional responsible and dynamic approach to any task that he undertakes or any situation that he is presented with. With 20 years experience in the Construction and Real Estate Company in Bangladesh he excels in working with a team to achieve all his objectives on time and with absolute professionalism.

He has developed enormous skill, knowledge and experience of the construction industry. He puts Reliance's application to customer requirement and satisfaction which is unbeatable. Reliance's construction of Lafarge Cement plant in Chattack and around 500 apartments in Bashundhara is a credit to his supervision.

His technical skills, communication skills and organisational skills put together with his ability of immediate problem solving and decision making is an added advantage for Reliance to save time and be on time. His ability to communicate with clients, officials, team members and other skilled workers in order to grasp their concerns and requests effectively is second to none. His speaking skills when explaining complex technical information to his technical staff, people and clients are one of his top qualities. He works and interacts with people in a concise fashion so they can easily comprehend and understand the information he shares.

Jordan James Hossain

Director

Jordan James Hossain studied BSC international management in the UK, then went on to graduate MSC International finance with distinction from Dundee university, One of Scotland's top institutions after discovering a strong interest for this field at a young age. He has since pursued a high-level study into the finance world to ensure he gained the best understanding of both application of theory and practice of finance. Both experience and education has led him to think independently and create the ability to come up with fresh new ideas which allows one to identify missed opportunities and take full advantage of rigorous situations. Through intensive academic studies and being surrounded by such open diverse individual's from all over the world has intellectually pushed him to further his abilities. Jordans' knowledge and experience enabled him to become a fluent leader who can communicate tasks directly and concise which allows for quick decision making. Such deep understanding of these qualities and having exhibited similar dedication and perseverance in all aspects of his life makes Jordan an asset to Reliance holdings.

TERMS AND CONDITION

APPLICATION

Application for allotment of the apartment should be made in the company's prescribed form duly filled by the applicant along with booking money. The company has the right to accept or reject any application without assigning any reason whatsoever.

PAYMENT

The purchaser will make the payment as per the payment schedule mentioned in the purchase agreement. All payments should be made in the form of a Bank draft /Pay-order/ cheque in favour of Reliance Holdings Ltd. The purchaser is liable to pay a delay charge of 3% per month on the default amount. If the payment is delayed beyond 2 (two) months, Reliance Holdings Ltd. has the right to cancel the allotment. In case of cancellation or surrender of allotment of the apartment, a refund of the deposited amount will be made after deducting of 10% or one lac taka, whatsoever will be the lowest as an incidental charge.

RIGHTS OF RELIANCE HOLDINGS LTD.

The company has the right to accept or reject any application for allotment. It also reserves the right to make changes in both the architectural and structural design of the project if necessary. In the event of unavoidable circumstances, the developer reserves the right to make a limited change in the specification, design and layout of the apartment. In the highly unlikely event of a dramatic price increase of the construction materials which would be beyond our control as happened during the first quarter of 2022, it will be the joint responsibility of the developer and client to mutually resolve the issue of additional cost that may put the project in a difficult scenario.

PROJECT HAND OVER

The possession of each apartment shall be handed over to the allottee/purchaser after full payment of installment and on completion of the apartment. The completion of the project may be affected by unavoidable circumstances beyond the control of the company like natural calamities, political disturbance, strikes, acts of God and changes in Govt. policy, etc. In such case, the allottee/purchaser shall not demand any compensation.

TOTAL COST OF FLAT

The total cost of the flat includes:

- (a) Cost of apartment
- (b) Utilities connection Charge/fees like water, sewerage and electricity etc.
- (c) Parking facility

TRANSFER OF OWNERSHIP

The apartment along with a proportionate share of land will be registered in favour of each allottee/purchaser as per current rules & regulations of the Government of Bangladesh. If the allottee wants to change the name of the owner during registration of the flat, a sum of Taka.1,00,000/= (One Lac) is to be deposited to Reliance Holdings Ltd. as a transfer fee.

REGISTRATION COST

The buyer will pay stamp duties, registration fees, taxes, legal govt. charge, vat and other miscellaneous expenses that will be incurred in connection with the registration of the flat.

OWNER'S ASSOCIATION

The buyer must undertake to become a member of the owner's association which will be formed by the owners of the apartments with the view to maintain the general affairs of the complex for the common interest. Each apartment owner must initially deposit Tk. 50,000/- to the company's account for the formation of owner's association before registration of the flat. The company will transfer the whole deposited amount along with accounts of expenditure to the owner's association.

LEGAL AGREEMENT

The buyer and the developer will have to sign a formal legal agreement mentioning the terms & conditions in detail many of which have not been covered here.

DISCLAIMER

All measurements given in the layouts are approximate. During construction, the measurement may vary.

All fitting, fixtures and furnishing displayed on the layout are considered as an artist impression.

All decorative tiles will be considered as optional items.

The perspective view shown on the brochure is considered as artist impression, after completion it may differ.
